NATIONAL HONOR SOCIETY

Students who qualify in scholarship, leadership, service, and character are received into the National Honor Society in a significant induction ceremony. This national high school organization, more than any other, creates enthusiasm for true scholarship and serves as a stimulus to potential leaders to place first things first and judge actions in the light of true values.

Retreat

Our annual retreat, given by Monsignor Christopher Griffin, at the end of the first semester, was a spiritual renewal of mind and soul, a time of serious contemplation, and of silent conversation with Our Lord. Happy smiles indicate the peace of mind and soul acquired through these days of recollection.

Dedication

His eminence, Cardinal Cushing, assisted by members of the local clergy, dedicated the beautiful building known as Sacred Heart Elementary School. Sister Paraclete, the principal of the new school, as well as many other Sisters and friends attended the impressive ceremony.

In Politics

Students at SHS are made aware of the privilege we as Americans in a free world enjoy - voting. Students representing both parties compete with one another in procuring posters of their favorite candidate and literally cover the gym walls with signs.

Patriotism does not die with the speeches and songs but is evidenced in the participation in the student voting on election day.

Class Day

At the close of the school year, Class Day is an occasion for officially accepting the eighth grade into high school and a time for granting certificates to those eligible students who have met the requirements for the various awards.
